## Software Selection & Implementation Masterclass

Gold Channel Partner

Thursday 21 November 2019

The Shard, 32 London Bridge Street, London, SE1 9SG

09:00	<b>Registration / Tea &amp; Coffee / Pastries</b>
09:30	<b>Welcome &amp; Introduction</b>
09:35	<p><b>Why change your ERP or Financial &amp; Accounting solution?</b>            Have you really outgrown your ERP or Financial &amp; Accounting solution or are you simply not utilising its full potential? In this session we share some of the common reasons why it could be time for organisations to justify a change.</p>
10:00	<p><b>What is out there? Critical features &amp; functions to look for</b>            Overview of the UK software market, including major vendors you may wish to consider. Learn the most important features and functions in any new ERP or Financial &amp; Accounting software and the benefits they bring to your business.</p>
10:25	<p><b>Financial Accounting Solution Showcase</b>            In this session we will look at a case study to see why a world class financial accounting software solution was selected including a demo to see it in action.</p>
10:45	<b>Refreshment Break</b>
11:00	<p><b>ERP Solution Showcase</b>            We will show two case studies of how market leading ERP solutions are changing the way in which organisations are running their businesses.</p>
11:40	<p><b>Forward Faster into the Cloud</b>            This session will explain cloud in more depth to give you a better understanding of cloud hosting and its benefits.</p>
12:10	<p><b>Implementation: The Right Approach</b>            In this session we will share with you our approach to implementing systems. We will cover key stages in the project life cycle, the people and skills required to build your project team, and how you will overcome the typical objections and issues you are likely to face.</p>
12:45	<b>Lunch &amp; Networking</b>
